

Information About the Service

Virtual Number services provide a virtual phone number from any one of our local number pools that is linked to call your existing home, office or mobile phone. The Virtual Number service allows you to forward a call to one or many destinations, and if needed, can be answered via an automated voicemail system if you are unable to take the call. You can also use this service to track the effectiveness of a particular marketing campaign.

A minimum term of one month is required for Virtual Number service. If you wish to cancel your service we require written notice one full calendar month in advance of the termination date.

What is Included:

- Web based self-management interface to control your service
- Ability to make calls to nominated numbers.
- Competitive call rates

What is not Included:

- Number porting fees (apply if you wish to transfer your number from another carrier)
- Dishonour and late payment fees
- International Phone Numbers
